

The twelve questions

-
- 01 Who decided which half of reality counts?
-
- 02 What is all the vigilance for?
-
- 03 What if the default setting isn't wrong, just outdated?
-
- 04 What would you try if nobody could call you unrealistic?
-
- 05 Who's the warden?
-
- 06 What would the other experiment produce?
-
- 07 What else did growing up quietly cost?
-
- 08 What are you forcing right now that could be accepted instead?
-
- 09 It's not something wrong with you. It's just the default setting.
-
- 10 What happens when you stop making an object of yourself?
-
- 11 What does it mean, that you're where you are?
-
- 12 What did you decide about yourself, back then, that was never about you?
